**Ref: EC directives/RoHS/REACH/Conflict free minerals Declaration
(Dodd Frank Act 1502)**

— In the above captioned matter we herewith declare that the products supplied by us are – to the extent such is within our sphere of influence – in compliance with the **Conflict free minerals Declaration (Dodd Frank Act 1502)**, all applicable EC provisions (in particular EC directive 2003/11/EG, 2002/96/EG, 2017/1011/EU (**RoHS**), 2017/1000/EU (**REACH**), 76/769/EWG)) and provisions of Austrian law (in particular the **Chemicals Act 1996** and the regulations enacted thereto and the “Elektroaltgeräteverordnung” - **EAG-VO**).

— We may however, draw your attention to the fact that any products, components or semi-finished products supplied to Schrack Technik GmbH (“Schrack”) by third parties which are used in the products supplied by Schrack are not checked for their compliance with the afore-mentioned European or Austrian legal provisions. Therefore, Schrack does not give any representations with respect to the compliance of such components or semi-finished-products with the afore-mentioned provisions. Schrack has however, informed its suppliers that with effect as of 13.08.2005 Schrack only accepts the supply of products following the afore-mentioned provisions. In case that products supplied by Schrack contain components or semi-finished products which are not in compliance with the afore-mentioned provisions, Schrack herewith undertakes to assign to you all claims Schrack may possibly have against such supplier about the supply of non-conforming components or semi-finished products.

Kind regards,

Schrack Technik GmbH
