Parallel Connector PVR 10

Application	connector for round grounding conductors as part of surge protection
Standards	EN 62561-1: 2017-12 Lightning Protection System Components
Connection	dia. 7 ... 10 mm round conductor
Materials	clamping plate: steel, 4 mm thickness, hot dip galvanized bolt: M10, steel grade 8.8, hot dip galvanized
Tightening Torque	30 ... 40 Nm
Weight	160 g
Safety	edges rounded
Environment Protection	All materials and manufacturing processes comply with RoHS regulations.
Accessories	-
