

REACH Directive Compliance Statement

January 2024

In Accordance to Regulation No. 1907/2006 concerning the Registration, Evaluation, Authorization & Restriction of Chemicals (REACH), Invertex Drives Ltd and our Suppliers have a duty to communicate the presence of Substances with Very High Concern (SVHC). As a company we are committed to relaying this information to our customers, in order aid in protection of the environment in addition to further improve public health & safety.

The Last Update of the SVHC Candidate List was made on the 14th June 2023, Taking the overall to 235 entries.

Based on the guidance provided to us by our suppliers and to the best of our knowledge, we can confirm that Invertex products do not contain any substances that appear on the candidate list for REACH:

(<https://www.echa.europa.eu/candidate-list-table>)

The pre-registration or registration of any substances lies with our up-stream suppliers and we have implemented procedures to ensure that they also comply with the most up to date legislation (and any future versions) and that we receive confirmation of this.

In addition to this and as part of our due diligence, our suppliers have provided us with signed statements confirming that all products supplied to us do not contain any of the substances specified in the reach SVHC list. Furthermore, Invertex continue to monitor this situation for future changes or amendments to the regulations or candidate list; We annually request updated declarations from all suppliers. And most importantly keep our customers updated and aware that Invertex remain compliant in regard to REACH regulations.

A handwritten signature in blue ink, appearing to read 'Mike Dean'.
